Band members may be excused from rehearsals in June and July for family vacations or other conflicts (work is not considered an appropriate excuse). We simply ask that a director is notified in advance. It is necessary for band members to attend band camp in August. We will have more information about our calendar and attendance policies at our upcoming parent's meeting.

The band rehearses after school Monday through Thursday from 3:10-5:10 during football season. The band also performs on Friday nights at Davidson football games and during select Saturdays at competitions during the fall.
