

The Blurb

Friday, August 27 Football at Grove City

5:30 Report to Davidson HS
5:50 Inspection/load buses
6:00 Depart
7:30 Game Time
11:15 Return to Davidson HS

Students: We will dress in full uniform for the game. It looks like the weather will be cool enough that you will be comfortable. Remember your hat, shoes, gloves and BLACK SOCKS.

Students – Inspection: This being our first time in uniform and our first trip away from Davidson, we MUST make sure we have everything. Students will assemble in our concert block IN FULL UNIFORM at 5:50. That means you must be wearing your uniform – not carrying it !

Students - Instruments: Large instruments go on the trailer. We will load the instrument boxes after your band class on Friday. Large instruments need to go on the trail IMMEDIATELY upon your arrival to Davidson at 5:30. When we return, you are responsible to pick up your instrument from the trailer and store it properly.

Students – 3rd Quarter: You will have 3rd quarter to hit the concession stand and visit with friends. Bring some \$\$ for concessions.

Parents – Student Pick Up: When picking up your band member at the end of the evening, PLEASE do not park along the curb. The buses pull up from the stop sign back and the trailers pull up along the curve. If you park there, it will delay our unloading. THANKS!

Parents – Return Time: Our return time is only an educated guess. I will post a message on the InPhonet Mail Box 3404. Dial 777-2222 and enter box 3404 to get the update.

Students –Uniform: Remember to wear a shirt WITH SHORT SLEEVES under your uniform. No jeans shorts under your uniform pants.

I am sure I forgot something important.
